

## DOCUMENTARY RESEARCH TOOL

### FOCUS

Discovery tool

<https://telecomparis.focus.universite-paris-saclay.fr/>

IMT libraries catalogue

<https://catalogue-bibliotheques.imt.fr/>

Catalogue created by  
higher educational libraries  
<http://www.sudoc.abes.fr/>

### Library resources in number

More than 20 000 printed books

More than 1 200 e-books

More than 50 subscriptions to periodicals

Tens of millions articles online

To know more about the library resources

### SERVICES

#### Into library loan (ILL), suggestions and purchase-on-demand

You can ask for books that are located in another library (ILL), make a suggestion (open to every member of Telecom Paris) and/or a purchase request (open only for the departments). For those services, you can fill the forms on Telecom Paris website

#### Make an appointment to visit and/or to train in documentary research

Fill the forms on Telecom Paris website

### RESEARCH AND PhD

Find Doctorates and researchers-teachers' works published in scientific magazines.

You can also find the help you need for publishing your own work.

### Borrowing conditions

Telecom Paris, IP Paris and Paris Saclay students and staff :  
12 documents for 4 weeks

E-books :  
Streaming or downloading

External public :  
3 documents for 4 weeks

Journals :  
Everything may be borrowed  
except the latest issue
